Margit's got a man at her house, and there's a lot she's been wanting to do with him. She stretches out across the couch and lets him slip her out of that dress. Once she's naked, she sets her lips firmly on his cock, and starts sucking till he's good and stiff. Her soft pussy lips shudder as he

spreads them with his tongue. He gently sticks his cock in her and begins to thrust hard over and over again till she's crying out with pleasure. The final act finds his hot jism giving her a facial.

A photograph of a woman with short brown hair, smiling at the camera. She is wearing a white lace lingerie set, including a bra and shorts. She is sitting on a bed with a green and white patterned blanket. A red pillow is visible in the background.

Nika's got a lovely pair for you to play with, and she's gonna show you just how she likes it. From her round tits for you to squeeze and jiggle, to her round ass that needs a bright red hand print smacked front and center onto it. Her hips are perfect for pulling back onto a nice,

long dick.

Her pussy is so tight,

and inviting that you might just fuck it all day. Doesn't that sound absolutely wonderful? She thinks it does.

## HEART OF THE CITY

I've always been a city-girl. There's just something about vibrant feel of a city that gives the place a beating heart all its own. Even more amazing is that each city's heart and feel is unique, and as I've travelled around the country and world, I've always tried to find each city's heart, so I was surprised when, a few weeks ago, the heart of a small town found me.

I was on the road, travelling through so many places in a day that I wasn't entirely sure where I was when I stopped to get some rest for the night, finding a place in the downtown area where I could get out and stretch my long, slender legs and get to know the place.

And that was when I saw him.

Just standing there on the street corner, leaning against the wall. He was a little taller than my 6-foot frame, and he had this look about him that just begged me to get to know him better. I made my way over, tossing my long, dark hair back over my shoulder and giving him my best smile. And he greeted me with a deep, accented voice that I couldn't help but trust.

We talked for a while,

### Holly's Heaven...

I grew up hearing the song that asked... "Do you like boobs a lot?" And it left quite an impression on me. Not having seen any when I first heard it, I fixated on boobs, especially big boobs, all my life. My girlfriend has a great rack and I love motorboating between them. I believe they add another, happy, dimension to our sex life. But, I have to admit that your cover girl Holly Halston has an amazing, heavenly pair. I would just love to settle between them and fall asleep in their softness. And they look totally natural!

Well, when I looked inside, I found more beauty than I could imagine. I scanned the whole issue and the women were all delectable, but I kept going back to Holly's amazing boobs and re-singing that little ditty in my head... "Yes, I like boobs a lot, boobs-a-lot, boobs-a-lot...!"

— James G., Chattanooga

discussing everything from my work to why he was standing on the corner. He said that he liked to watch as people went by, that most of the time, he just spotted locals going about their business, but that sometimes, he came upon a charming and beautiful visitor. It wasn't long before he was offering to show me around, and I readily agreed.

He showed me the main road, with its few bars and taverns that I would've found easily enough, but then he also took me down some of the side streets, to the local high school and library, and towards the large park that served the whole town, leading me inside with a playful grin.

The park was dark, yet inviting, filled with stories that my companion regaled with relish. He led me deeper inside, toward a large tree that he told me was planted the year the town was founded.

Gently, he took my hand and placed it on the side of the great trunk, watching my expression curiously. And I felt it: the beating heart of the town somehow pulsing through the tree. And as I felt it, my guide moved around behind me, pressing himself up against my back

---

and leaning in to start kissing my neckline. While I was surprised, I didn't turn him away, but instead took in a deep gasp as his hands wrapped themselves around my body, quickly finding my own rapidly beating heart under my plump breasts.

I spun around to catch his gaze, his eyes shimmering in the moonlight with a boyish charm and a roguish hunger. Without a word, he took my wrists and gently pulled them above my head and pressed them against the tree while leaning in to make out with me fiercely, which I returned gladly and with a passionate fire that was rushing through me.

He was in complete control, and I didn't have any objections. I let him take me and worship me there against the tree, the heart of the town. He pulled off my shirt with ease, revealing my tight, perky breasts that I'd already left free of a bra, giving him quick and easy access.

He let his warm tongue glide over my shivering body with a tenderness of love and care, but a firmness of passion and desire. And by the time he was tugging on his belt to let himself out, my pussy was more than ready for him, pulsating with a fiery need for his large, throbbing meat.

As he stabbed his warm dick up inside me, he finally let go of all pretense and tenderness, pounding me hard against the tree in the dark park. I never realized how badly I needed some-

one before, but he seemed to find every spot he could, sending me over the edge in seconds, but holding onto himself. With a wicked smile he kept pounding, harder, heavier, faster, and (somehow) deeper.

I felt like I was in a perpetual state of ecstasy as rush after rush filled me, yet he managed to continue, seeming to get his own rush from seeing what he was able to do to me.

And what he was able to do for me. Finally, he let loose an enormous load from thick, heavy balls, pushing me over the edge yet again!

When he was done, he pulled out and, back to the roguish but gentlemanly tour guide, offered to see me back to my hotel. And I offered to see him up to my room for more of his special touch.

—Samantha D., Texas

*She is a blonde destroyer

I'm tempted to blow my money

stupid shit I don't even want,  
just to experience the utter bliss  
of having her handle my  
package.*

No changes needed, I thought. It was the best that I could do. I folded it in half, went outside and sat on the front stoop of my apartment. The delivery truck should be rounding the corner any minute now. I knew her schedule backwards and forwards.

I actually heard the truck a few seconds before I saw it, its distinctive grumble alerting me to its presence. Like clockwork, the boxy vehicle appeared at the end of my street. I saw her blonde hair glowing behind the windshield, her hands gripping the oversized wheel. She could really drive that thing, drive it as good—if not better—than any man. The truck barreled forward, getting closer and closer.

It stopped in front of my building.

Butterflies fluttered in my stomach. I could hear her rummaging around in the cargo area. Any second now, and she would appear with my package. The “stupid shit” in my poem—well, I had finally broken down and actually ordered something; it seemed the easiest way to

### LADY DRIVER

I read the poem for the umpteenth time. I was looking for flaws, hiccups, missteps. I honestly couldn't find any. It was simple, direct, rendered in plain language. A very rare dissertation of simplicity

Best of all, it had come from my gut.

Sitting there at my writing desk, hunkered over my laptop and peering at “Lady Driver,” I hoped my muse would like it. After all, I had written it for her. She was my inspiration. She was also a complete stranger.

With any luck, I truly hoped that the poem would change that . . .

Having produced a hardcopy with my old printer, I swiped the poem from the plastic tray and had to read it one last time—

ensure a face-to-face meeting with my lovely muse.

Parcel in hand, she exited the truck.

"That's for me," I told her.

She said something about having to leave the package at my door, company policy and whatnot.

I produced my driver's license. "Good enough?"

"Perfect," she said, proffering the package.

"And this," I told her, producing the poem, "is for you."

Her face twisted with confusion. "What's this?"

"Open it," I said, "and find out."

She unfolded the sheet, glanced at my words, then refolded it and slid it in her breast pocket. "A poem. Cool. I'm pressed for time right now, but I'll definitely read it on my lunch break. Thanks . . ."

I searched her face, looking for signs that my gift had creeped her out. Last thing I wanted to do was come across like some weirdo stalker dude. She seemed genuinely intrigued by the whole thing. Curious. Amused. Definitely not creeped out.

She climbed behind the wheel and fired up the engine, gracing me with a smile and wave as she pulled away from the curb. I watched the truck until it disappeared from view.

"Was it everything you thought it would be? My handling of your package this morning?"

"Utter bliss," I replied.

"But nowhere near as blissful as this, huh?"

I could only sigh dream-

ily as she stroked my other package, the hard one between my legs. True to her word, my muse—whose name was Traci—had read my poem during her lunch break, read it and liked it enough to pay me a visit after work.

Now, her hand sliding up and down my rigid rod, she was determined to show me her appreciation. Pillow propped behind my head, I lay back on the bed and watched her deft hand work its magic. She was a true master of the one-handed tug.

Her uniform was on my bedroom floor. It looked good down there. Though not nearly as good as Traci. Her hair was down; blonde locks played across her shoulders, partially obscuring her face as she went down on my nuts.

Hand priming my pole, she kissed and licked my

balls. She serviced me good and proper. I was harder than a brickbat, and eager to pound her cock-hungry pussy.

Traci was ready, too.

Turning away from me, she straddled my waist. I admired her shoulders and back, her tight ass pressed against my cock. A long day delivering packages had done nothing to diminish her energy. She took charge. Wrapping her fingers around my erect member, she lifted her hips and guided me inside her.

Traci's pussy was sublime.

Snug and hot and wet.

She worked her hips slowly, at first; but it wasn't long before she rode me with a desperate frenzy. She raised her ass, then slammed it down, again and again; all the while her tight cunt pumped me pogo-style. I thought about

parrying with a few intense thrusts, but decided against this. Traci was doing just fine.

I held her hips, my fingers digging into her pliant flesh. She had moved a hand between her gorgeous legs; rubbing her clit frenziedly, she tossed her head from side to side as orgasmic spasms wracked her sexy body. Then, having gotten off to her satisfaction, Traci rolled off and finished me with her mouth.

Before she left Traci asked about this morning's package; almost immediately she regretted the inquiry. "I'm sorry. It's none of my business."

"Nonsense," I told her.

"I'm a naturally curious person."

I proceeded to show her the cat collar I had ordered. She laughed good-naturedly. "You have a cat?"

"Hell no."

"Then why in the hell—"

"Stupid shit," I quoted my poem, "I don't need ... don't even want."

"Just to see me, huh..."

"Exactly."

"I'm flattered."

"I hate cats, Traci. But I love pussy, especially yours."

I just returned from a week in "The City of Lights" – Paris, and it was quite an adventure. The sights were amazing and the food was just divine. But those men over there can be quite aggressive, especially to blondes, I quickly found out. Unfortunately, I did not hook up with anyone, so when I got home, I was horny as hell.

# 100 Miles of Head

*DRIVING HOME FROM OUR VACATION, MY WIFE HAD MY DICK IN HER MOUTH FOR MILES*

The long deserted miles of expressway zoomed by as my wife's eager lips brought me repeatedly to the brink of ecstasy. Each time, she would wait a little longer before pulling away, almost daring me to lose control and fill her mouth with my hot cream.

It was our first vacation without the kids in almost twenty years of marriage. My wife was more relaxed than I had ever seen her. It had been a fantastic week filled with sightseeing and long, lingering sessions in bed, fucking like animals. I think that we both felt a little sad to see it come to an end.

We were four hundred miles away from the old grind of parental responsibility. I figured that my wife would spend the time getting her head back into mommy mode, but she had a surprise for me. One that I'll never forget.

I can't prove it, but I'm convinced that she planned the whole thing and even saved it for the last day. It all went too smoothly for it to have been spontaneous. It began when I woke up that morning at the motel. Barbara was straddling my hips and had my cock deep inside of her stilltight pussy.

"Good morning, sleepyhead," she grinned as she leaned forward and gave me a peck on the lips while she continued pumping her hips up and down on my shaft. I grabbed her hips and prepared to give her a good, hard fucking, but she rolled off and darted into the bathroom.

I still had a hard-on as we checked out. "I can't drive in this condition," I moaned as I climbed into the car and got behind the wheel. Barbara shrugged her shoulders and began setting up the GPS. She continued to ignore me until we were on the freeway and out of the populated area. Then she squirmed around on the seat, back against the door and her feet on the seat.

The position gave me a clear view of her thighs and ass. I nearly passed out when I realized that the mother of my children wasn't wearing any panties. There was no doubt in

my mind that it was the first time in her life that my innocent wife had gone out in public without any underwear on. "What is this, some kind of tease?" I groaned, as my dick again reared its head.

She smiled and very deliberately wet her lips with her long, pink tongue. The way she did it sent shivers up my spine. "You like it, do you?" she purred.

"You wanna stop somewhere?" I muttered, sensing that my wife was more aroused than I could remember seeing her.

"The car will do fine for what have in mind," she whispered as her hand moved toward my lap. "Mind if I hold it for just a while?" she asked, as she slowly pulled down my zipper. My wife soon had the purple head of my cock peeking from the opening in my pants. Then she sucked in her breath, as

though she was seeing it for the first time, and very timidly reached out and gave the shaft a quick squeeze.

"You sure have a big one, Jim," she squealed in a tiny voice, like a little girl. "I don't think that it will fit in my little pussy," she added, with mock fright in her sparkling, green eyes.

"Don't worry, honey," I groaned. "I won't try to stick it in your pussy unless you want me to. Right now, I just want you to hold it."

While my sexy wife stroked my twitching cock, I watched the lips of her pussy swell and peek at me from the soft folds of her smooth-shaven pussy between her parted legs. Very carefully, I let my hand crawl across the seat and under her dress. Barb shivered as my fingertips teased the hot, silky flesh of her inner thighs as I moved toward my hot, pink target.

When my fingers reached her pussy, my wife slid toward me on the seat, impaling herself on my finger. "That's it, Jim," she whimpered. "Play with my pussy. Make me come, Jim. Please make me come."

*We still had about nine miles to before the magic hundred-mile mark when my wife ducked her head down and let her lips brush the sensitive head of my cock. It felt so good that wanted to scream.*

Barbara screamed when the first wave of pleasure hit her quivering cunt. Her entire body shook as her pussy clamped tightly around my finger. She had a long, lingering orgasm while I rotated my finger slowly around inside of her cunt.

Her hand never left my cock, but she was too excited to stroke it and I was really glad that she didn't. I was too close to losing control. Just watching her squirm around on the seat had me ready to fill her fist with hot cum.

When it was over, Barbara sighed and let her head rest on my shoulder. Her hand lay limply in my lap. "I'm sorry," she whispered, her hot mouth tickling my neck as she spoke, "this was supposed to be your treat."

The last time it had happened in a car was years ago at the lake. No sooner had she reached into my pants and freed my cock then it began spraying hot cum everywhere. Barbara screamed, but she kept on pumping, causing my cream to cover her hand, arm, and even the dashboard.

I glanced at the speedometer. We still had forty miles to go before we hit the hundred mile point. There was no way that I could last that long, even to feel her lips on my dick. For years I'd wanted to shoot off in Barbara's mouth, but she believed that the only place for sperm was deep in her pussy. Now my favorite wet dream could come true. I told her that she had a deal, even as I wondered if I could last one more stroke. What I didn't count on was her help. She seemed to know exactly how much I could take before exploding. She always moved her hand just before I lost it. It was pure agony, but I loved every second of it.

We came upon a rest stop only ten miles from our goal. I pulled off of the highway and into one of the parking spaces. Barbara jumped out of the car immediately and headed for the ladies room. It took me a little longer; I had to stuff my stiff cock back into my pants and let my hard-on shrink a little before I could stand up.

So I walked around the tree-lined park and waited for Barbara. I spotted one young woman leaning into the open door of a parked car changing her baby's diaper. Her skirt was so short that I had a breathtaking view of her butt, covered only by a pair of tiny red panties.

I moved around the car and discovered that the view from the front was even better. She was wearing a loose-fitting top and no bra. I had a fantastic view of her big, soft tits swinging to and fro as she diapered the crying baby. I didn't realize that I was staring, but I guess that I was, because she looked up and smiled, but made effort to hide her beautiful tits.

I was so horny that just looking at her tits was enough to make ache to come in my pants. Luckily my wife came out of the bathroom before I lost control.

"Looks like your little friend kept it good and hard for me," my wife teased as we pulled away from the rest area. I cleared my throat and tried to ignore the jab.

As soon as we were safely back on the highway, my wife again unzipped my fly. Only this time, she also unbuckled

my belt and pushed my pants and shorts down on my thighs. "I need some room to work," she teased as her hand began rapidly pumping my tool.

We still had about nine miles to before the magic hundred-mile mark when my wife ducked her head down and let her lips brush the sensitive head of my cock. It felt so good that wanted to scream. "Give me a countdown," she mumbled, the words muffled by my cock as it slid slowly in and out of her beautiful, hot mouth.

"Nine," I gasped as her tongue probed the tiny piss-hole. Barb began licking the shaft from my balls to the tingling tip. By the time I reached four, my entire body was shaking and the cum was bubbling in my balls, ready to erupt into my wife's sucking mouth.

"Three!" I bellowed, as I lifted my hips off of the seat and drove my twitching dick deep into Barb's hungry mouth.

"Two," I screamed as I felt stream of boiling seed racing up my shaft. Before I could say one, Barb clamped her mouth tightly around my dick. She moaned and drank at least a gallon of my cream as it gushed from my throbbing cock and filled her mouth. It's a wonder I didn't have an accident.

After it was over, my wife sat up but left my cock hanging

out. She also didn't bother lowering her skirt, keeping one hand busy between her legs, stroking her swollen clit even as we drove and talked about what had happened.

At first I was sorry that she turned me down. But now that we are back to our humdrum lives, I find that anytime I'm uptight, all I have to do is close my eyes and dream of what it will feel like to shove my tongue deep into Barbara's slippery hole while she fights to keep the car on the road.

It makes me look forward to our next trip with the enthusiasm of a kid waiting for Christmas. Except I'm a grown man and my excitement is a series of hard-ons. And they are all for my darling wife.

A full-page photograph of a woman with short blonde hair, smiling over her shoulder. She is wearing a white, strappy bra and matching white underwear. A tattoo of a lion's head is visible on her right shoulder blade. She is standing on a bed with white linens, in a room with large windows in the background.

Roxette invited her friend Franco to spend the weekend at her summer home to celebrate her fiftieth birthday. Can you guess what's next? She started making out with him and they ended up on her bed with his cock in her mouth and his balls on her tongue.

# Roxette

His long cock fit so nicely into her tight hole, and left her it's present on her freshly shaven pussy. She can't wait for her next birthday to cum, but won't be waiting that long to do this guy again.

*I may be small,  
but I can take it all!*

Ivett missed days teaching at the university. When she met her new neighbor, she discovered it was Elind, one of her favorite students that she graduated with honors. Now her new neighbor seemed like the perfect fuck. She said she liked mature women with experience, and Ivett was happy to indulge her repressed sexual desires.

## Ivett & Elind

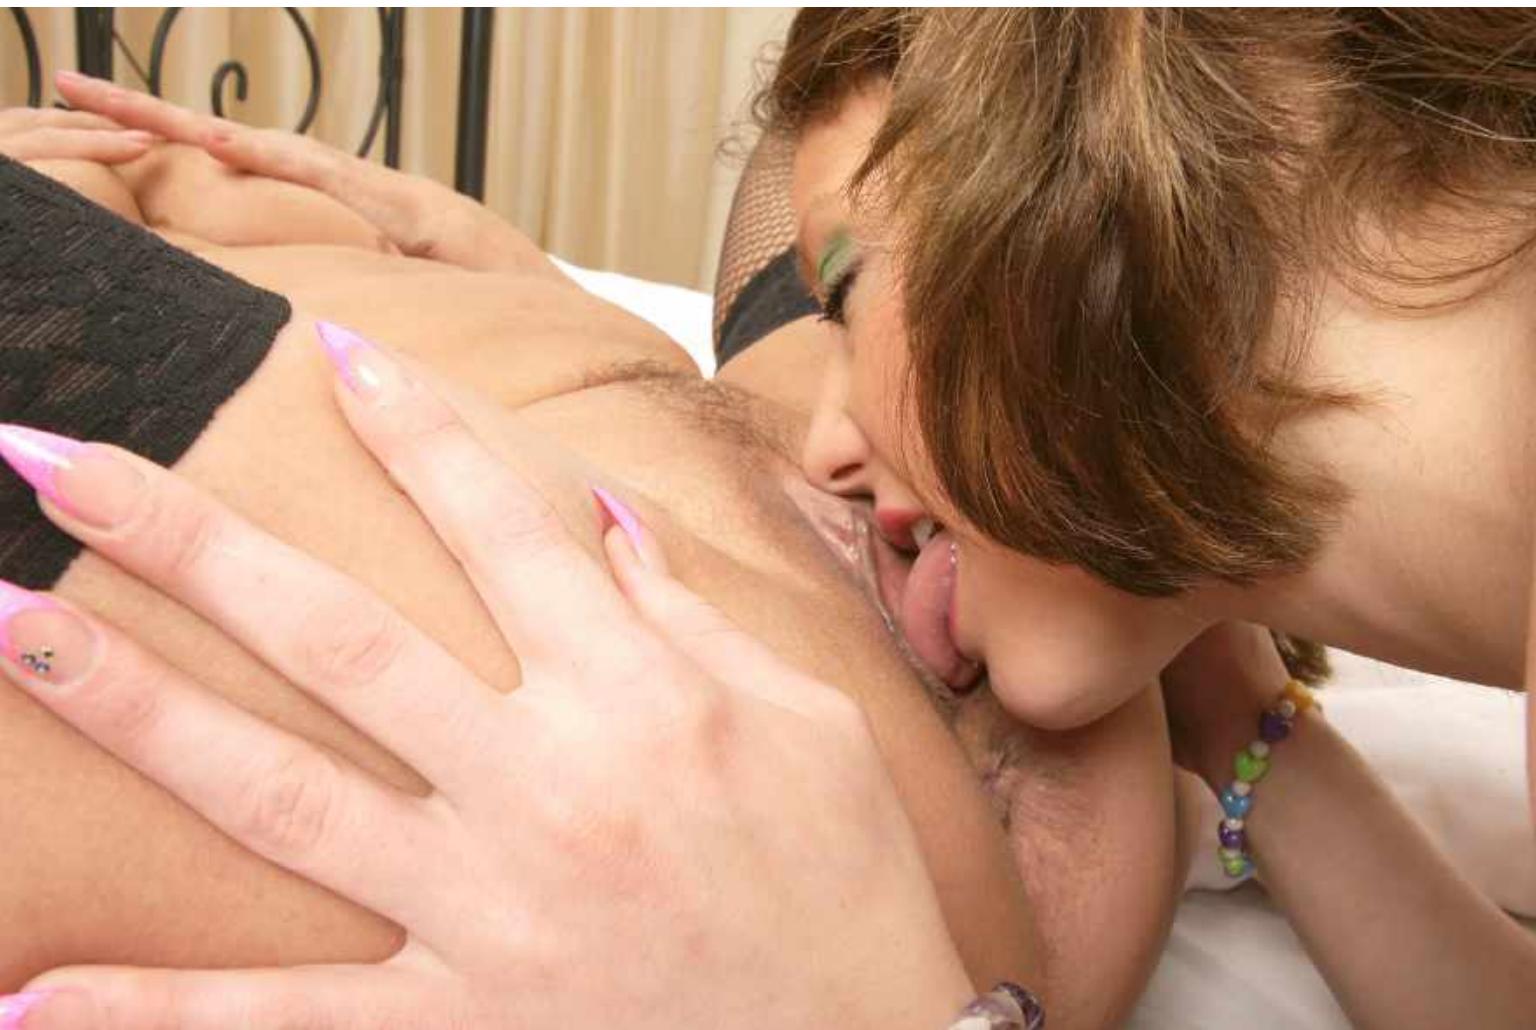

The girl loved kissing up Ivett's skin, and sucking on her chest. Ivett decided there's nothing better than an honor girl who knows how to work her tongue just right!
